I can't emphasise enough how important it is that your child continues revising throughout the holidays for their GCSE examinations. Ideally, they should be aiming to complete 4 hours revision a day using the revision techniques they have been taught in their P1 sessions. I would also recommend, where possible and appropriate, your child attends the in-school revision sessions, students have given extremely positive feedback about previous holiday revision sessions.

Please can you complete the reply slip below and ask your child to return it to the school office. If for any reason your child does not return their reply slip they can still attend the revision sessions.

Please follow the link below to access the year 11 revision resources.
