Dear Parents/Carers

Re: Key Stage 3 Information Evening - December 7th, 16:30 – 17:30

We hope this letter finds you well. As part of our ongoing commitment to providing comprehensive support and information to both our students and their families, we would like to invite you to attend our Key Stage 3 Information Evening on December 7th from 4:30pm to 5:30pm.

The purpose of this event is to provide more information to support the recent correspondence you received regarding assessments and revision guides. The aim of the event is to give an overview of our assessment objectives, what students can anticipate from these assessments, how we use the assessment data to support students' progress, and our approach to reporting this information to parents.

Additionally, our program for the evening will outline guidance on supporting students in their revision efforts. We will explore effective revision techniques and strategies that can significantly bolster their academic progress as well as showcasing some of the support we currently provide to assist students with their revision.

The event will also provide an invaluable opportunity for you to engage with key staff members. They will be available to address any queries or concerns you may have regarding your child's education or any aspect related to the upcoming assessments.

To ensure our team adequately prepares for this event, we kindly request your confirmation of attendance. Please fill out the form available on the link or QR code below before 5:00pm on Tuesday, December 5th:

<https://forms.office.com/e/x1aVHwv2S3>

Your participation in this event will greatly contribute to our collective efforts to provide a supportive and informed educational environment for our students. We look forward to the opportunity to engage with you.

Yours sincerely

Mrs Davey
Deputy Headteacher
