

# YEAR 11 BULLETIN

CARING - DETERMINED - REFLECTIVE

## Welcome back to Term Four!

Year 11 have returned to school this week, refreshed after their half-term break and are back working hard towards their summer exams. As explained in the Bulletin No.21, students are beginning to receive results from their mock exams and feedback from their teachers. They can use this information to plan their revision and prioritise their weaker areas.

## Future MasterChef?

A huge well done to all the Y11 students that completed their practical food exams this week. The aromas from the kitchens have been fabulous and everyone involved can be very proud of their efforts.

### WHAT CAN YOU DO THIS WEEK?

Plan with them how they are going to use their time for effective revision, what topics will they revise and what will they be doing during that revision time? Check out the resources available on the [Virtual Year 11 Classroom](#).

### Message from the Sixth Form Team

Sixth Form interviews will take place week beginning 25<sup>th</sup> March 2024.

All candidates have been invited to an interview via a message on [www.kentchoices.co.uk](http://www.kentchoices.co.uk)

Please check the message for the day and time of your interview.

### Message from the Languages Department

#### Quizlet

The languages department are delighted to offer a fantastic resources to our year 11s. Students should create an account on Quizlet.com, using their school email address and create a username that allows us to recognise who they are. The account is free, there is no need to opt for the paying version.

Use the following links to access the revision space for French and Spanish:

**French:** <https://quizlet.com/join/d7KqQhUAj>

**Spanish:** <https://quizlet.com/join/SzX6mKQk2>

Students will find vocabulary lists for all the topics and sections of the GCSE course. They can also create their own sets very easily. Quizlet is also available as an app for students to access on their phones.

Learning more vocabulary is absolutely essential for success at GCSE in languages. We hope that students will enjoy accessing this resource and find it a convenient, practical and enjoyable way to expand their vocabulary learning.

For any further information or technical support, please contact Mrs Fowler.
