

YEAR 11 BULLETIN

CARING - DETERMINED - REFLECTIVE

In the final Year 11 Bulletin, Mr Vennart wishes to share the following message to all students and their families.

class of

2 0 2 4

As we reach the end of this academic year, I want to take a moment to reflect on the incredible journey we have shared together.

Your time at The Malling School has been marked by both unprecedented challenges and remarkable achievements. Through covid, you faced new ways of learning, adapted to changing circumstances, and shown resilience in the face of adversity. Your strength of character and perseverance have been nothing short of inspiring.

As you move forward, I encourage you to carry with you the special culture we have created at TMS through following The Malling School Way. The knowledge and skills you have developed, the friendships you have made, and the experiences you have gained will serve as a strong foundation for whatever path you choose to follow.

At TMS we know that education is not just about academic success, but also about growing as individuals and making a positive impact on the world around us. Continue to be curious, stay true to your values, and always strive to be the best version of yourselves.

I am immensely proud of all of you. Your hard work, creativity, and caring attitude have helped shape TMS into becoming such a fantastic place to learn. I am confident that you will go on to achieve great things. As you embark on the next chapter of your lives, whether it be staying on here, moving on to college, training, or entering the workforce, I know that you have the strength and capability to overcome any challenge and you can seize every opportunity.

On behalf of the entire staff, I wish you all the very best for the future. Thank you for being a wonderful part of our school community. We look forward to hearing about your future successes.

Message from the Year 11 Team

Goodbyes are by far the hardest thing for me and it is only so hard because you are all incredible human beings. We have been on quite the journey together over the last couple of years and it has been a pleasure watching you all flourish and succeed. I wish you all the best for your futures, please know that I am so proud of you all. – Miss Foulser

It has been a pleasure to watch you grow in confidence as you have progressed through Year 11, seeing your determination and resilience when dealing with the challenges of your GCSEs has been impressive. However, I am bowled over by your caring attitude and support of each other throughout your time here at TMS.—Dr Shirley

Sixth Form Induction

Sixth form induction will take place on 1st, 2nd and 3rd of July. A letter containing all the details will be going out shortly.

Second-hand Uniform Request

If any Year 11 students have any unwanted uniform that they are able to donate to the school then we encourage them to bring it in and pass to the guidance team or reception next week, before their last day and we will make good use of it.

What to revise this week?

Biology: 9. Ecosystems and material cycles: Material cycles - [BBC bitesize: Material Cycles](#)
