I can't emphasise enough how important it is that your child continues revising throughout the holidays for their GCSE examinations. Ideally, they should be aiming to complete 4 hours revision a day using the revision techniques they have been taught in their P1 sessions. Please follow the link below to access the year 11 revision resources.

I would also recommend, where possible and appropriate, your child attends the in-school revision sessions. Students have given extremely positive feedback about previous holiday and study leave revision sessions.

Please confirm your child's attendance by Wednesday 22<sup>nd</sup> May by completing this [form](#). If for any reason you do not complete the form, they can still attend the revision sessions. If you have any questions or require further information, please do not hesitate to contact Dr Shirley at [cristina.shirley@themallingschool.kent.sch.uk](mailto:cristina.shirley@themallingschool.kent.sch.uk).

Thank you for your continued cooperation and support.

Yours sincerely,

**Dr C Shirley**
