Dear Parents/Carers

I recently sent home information about your child's next steps in the UCAS Hub presentation. As a follow-up to that presentation, I have created a detailed PowerPoint presentation on student finance.

To access the PowerPoint presentation, please click on the following link: <u>Student finance PowerPoint-20240626_220517-Meeting Recording.mp4</u>

This presentation covers important topics such as tuition fees, student loans, grants, scholarships, and budgeting tips for students. We encourage you to take some time to review this information with your child to ensure they have a clear understanding of their financial responsibilities when pursuing higher education.

If you have any questions or concerns after reviewing the presentation, please do not hesitate to contact me. We are here to support you and your child throughout the university application process.

Yours sincerely,

Mrs L Alexander Careers Adviser
