

YEAR 11 BULLETIN

CARING - DETERMINED - REFLECTIVE

Plans For The Final Week Of Term

We are incredibly proud of how the students have been conducting themselves during the exams. It's been lovely to see the smiling faces of the students returning from the exam hall. With Half-term fast approaching, it is a good opportunity to re-charge the batteries as well as continue with revision before the final exams in June, so we wish all students a good half-term break.

A reminder of the plans for Friday 24th May. Most students will be in normal lessons for period 1-3, with those sitting their French writing exam returning to period 2 after their exam has finished. After lunch we will be celebrating the achievements of the students in their Leavers' Assembly before heading outside, we hope in glorious sunshine, for a celebratory BBQ. Students will be able to leave site from 3 pm.

It will be on Friday that students will have the opportunity to take part in the traditional signing of their shirts. Students have been reminded that they are to be in normal uniform for periods 1-3 and may change into a shirt for signing from lunchtime.

Second-hand Uniform Request

If any Year 11 students have any unwanted uniform that they are able to donate to the school then we encourage them to bring it in and pass to the guidance team or reception next week, before their last day and we will make good use of it.

Message from the Sixth Form Team

Sixth form offers have been emailed out to candidate via www.kentchoices4u.com.

Please log on the platform and check your messages as you do need to reply in order to confirm your place.

Any problems, please contact the Sixth Form Team

Tassomai Online Tutorials

The image shows four Tassomai tutorial cards arranged in a 2x2 grid. Each card has a light green background and a circular icon with a person. The top-left card is for 'Physics' (1st May - 5pm) with the topic 'Thermal Energy Transfer - Heat Capacity for GCSE Paper 1'. The top-right card is for 'English Literature' (8th May - 5pm) with the topic 'Knowing and Discussing the Writer's Message for GCSE exams'. The bottom-left card is for 'Chemistry' (15th May - 5pm) with the topic 'GCSE Exam Technique, Structure and Bonding for paper 1 & 2'. The bottom-right card is for 'Exam Technique' (15th May - 5pm) with the topic 'EXAM TECHNIQUE - PAPER 1 & 2 STRUCTURE & BONDING'. Each card has a green 'Register Free' button.

Tassomai offer free online tutorials. Dates of upcoming sessions and recordings of previous sessions are available [here](#).

If you want to check out what they are like before committing to signing up then recording of their previous tutorials are available.

What to revise this week?

Biology: 7. Blood glucose regulation, metabolic rate & adrenaline - [BBC bitesize: Hormone regulation](#)

Chemistry: 6. Energy changes - [BBC bitesize: Exothermic & Endothermic Reactions](#)

Physics: 9. Electricity - [BBC bitesize: Electricity](#)

Geography: UK Challenges - Rev guide p. 110-113

Business Studies: Theme 2.5 Recruitment and training & development. See Teams for resources.

Psychology: Criminal Psychology: the biological explanation of criminality, how punishment affects recidivism, treatments to rehabilitate and reduce criminal behaviour

Psychology: Criminal Psychology key studies: Bandura, Charlton et al. Issues and debates: do a practice 9 marker on any of the topics
