Dear Parents/Carers

Invitation to the Year 11 Information Evening

We are excited to invite you to our Year 11 Information Evening, scheduled for Thursday 19th September at 4:30pm. This event is an excellent opportunity for you to gain valuable insights into your child's academic journey during this pivotal year.

During the evening, we will cover essential topics, including:

- Outline of the Period 1 Programme: Learn about our GCSE mindset and effective revision techniques sessions designed to empower students.
- Careers Support: We will provide a timeline of Post-16 options and guide you through the application process to help your child make informed decisions about their future.
- Mock Examinations: Get details about the arrangements for the January mock examinations, which are crucial for assessing your child's progress.
- GCSE Summer Examinations: We will discuss the arrangements for the upcoming summer examinations, ensuring you are fully informed.

Every family will receive an information pack containing resources and guidance to support your child throughout Year 11.

We strongly encourage you to attend this important evening. Your involvement is vital to your child's success, and we believe that this information will help you support them effectively during this crucial year.

We look forward to seeing you there.

Yours sincerely,

Cristina Shirley
Director of Science
Associate Assistant Headteacher
