

# YEAR 11 BULLETIN

CARING - DETERMINED - REFLECTIVE

## Life after GCSEs?

This week Miss Willis delivered an assembly on KentChoices, the website that all local post-16 providers advertise their course offers. She explained that next week, students will receive their login details for the KentChoices during a Period 1 session, where they will begin updating their profiles. KentChoices allows students to explore all local post-16 education providers, learn about the courses they offer, and view upcoming open events. From the 4th of November, students can also use the website to submit applications to any provider. For more details on how to apply, visit: [www.kentprospectus.co.uk/resources](http://www.kentprospectus.co.uk/resources).

# KENT CHOICES

Miss Willis, our careers adviser for Year 11, will be providing ongoing support to students via their school email over the coming weeks. Please encourage your child to regularly check their inbox. Additionally, she will share useful resources for parents and carers on our TMS Careers Facebook page, *Future You*. Stay updated by following the page here: [Future You - The Malling School](#).

Regarding application deadlines, these can vary by provider. For example, some sixth forms close their applications by the end of December, while popular trade courses at local colleges tend to fill up quickly—applying by Christmas is highly recommended. To avoid disappointment, we advise all students to submit applications by the end of January. Students should apply to multiple providers to ensure they have a back-up option.

If you have any questions or need assistance, Miss Willis is happy to help. You can reach her at: [a.willis@themallingschool.kent.sch.uk](mailto:a.willis@themallingschool.kent.sch.uk).

### What can you do?

- Discuss with your child what they would like to do next year.
- Are they interested in staying on at The Malling School or are they interested in attending college or beginning an apprenticeship?
- Log into KentChoices with your child to look at what is available and if there are any open events you want to attend.
- Check out the Future You Facebook page for updates from The Malling School Careers team. Remind your child to regularly check their emails for messages from Miss Willis.

## Sixth Form Open Evening: Thursday 7<sup>th</sup> November (6-8 pm)

Join us for an evening exploring your future at The Malling School 6th Form. Discover our diverse range of courses by speaking directly with our teachers and hear firsthand from current students about their experiences and life in our 6th Form. It's the perfect opportunity to see how we can help shape your next steps.

Please contact the office with any questions: [office@themallingschool.kent.sch.uk](mailto:office@themallingschool.kent.sch.uk)

### Tremendous Tuesdays

Every Tuesday there is English revision with Mrs Miller in TSS. Students will need to bring along their lunch for 20 minutes of intense revision. It is open to all year 11.

### Period 6

The current period 6 timetable is below. We've had a great turnout to our after-school intervention and encourage as many of you to come along. The sessions run from 3.30-4.30 pm.

| Day       | SUBJECT                                | Location       |
|-----------|--|----------------|
| Monday    | Maths (by invite only)                 | Maths corridor |
| Tuesday   | English                                | R11            |
| Wednesday | Science (Higher & Foundation sessions) | R7 & R8        |
|           | History                                | B10            |
| Thursday  | Maths                                  | Maths corridor |
