VYo/SSn

Dear Parents/Carers,

We would like to offer you the opportunity to buy science revision guides at a reduced price.

We recommend combined science students purchase the revision guide @ £6.25 (higher or foundation). These include an online version, access to videos and quizzes. For triple science students the 3 subject guides come to a total of £9.75. We also have available workbooks (and answers) as detailed in the table below.

Newly available are the knowledge organiser booklets which can be bought with a retrieval practice booklet. These are A5 size and very convenient to carry in a school bag! If you are unsure which book to order, please get your child to ask their science teacher for advice.

Please print out the attached order form and ask your child to hand this to Mrs Young or their science teacher. Orders should be placed and payment made (SCOPAY) by 25th October.

I will order the books and distribute them from the science office. Students will be expected to collect the books themselves.

Yours sincerely,

Mrs V Young
2ic Science and KS5 Coordinator

✂ -----

Please return to Mrs Young by Friday 25th October 2024

Student name: _____

Science class/teacher: _____

I have paid the sum of £ _____ via Scopay
