EHa/SSn

Dear Parents/Carers,

I am writing to let you know that all Year 7 students should now have been given their log in details for Tassomai and Sparx to complete their Science and Maths homework, and will have been shown in their lessons how to log in to the platforms. Any student who is unsure of their log in details should ask their class teacher for help.

All students should now be completing English, Maths and Science homework once a week, and this will continue until the end of term one. No other subjects will be setting homework until term two to give students a chance to build routines around completing homework. Please use the link below to view videos that have been made to support your understanding of how your child should complete their homework via the Year 7 homework drop down menu on the school website:

<https://www.themallingschool.kent.sch.uk/page/?title=Homework&pid=173>

Please also be reminded that homework club runs in the library after school every day until 4.00pm where members of staff are available to support your child with their homework. Class teachers in English, Maths and Science will now be checking that homework has been completed each week, and, if a student hasn't completed their homework, parents and carers will receive notification via MyChildAtHome.

If you have any questions about your child's homework please email:  
[Yr7homework@themallingschool.kent.sch.uk](mailto:Yr7homework@themallingschool.kent.sch.uk)

Yours sincerely,

**Mrs E Hanmore**  
Associate Assistant Headteacher
